3 5 AN FLOOR SPACE...

IF the floor space contained in the eight stores occupied by Neill, the Shoe Man, were put under one roof it would cover an area of 27,000 square feet, or about 25 acres, devoted to Boots and Shoes exclusively, making it the largest retail boot and shoe establishment in Canada. What is evident in the quantities, Neill can and does sell goods cheaper than other dealers, without sacrificing the quality. That's why it pays to buy at Neill's.

R. NEILL THE SHOE KING, LINDSAY SOLE LOCAL AGENTS FOR "The Shoe Store" Every Bottle Warranted

Every bottle of Chamberlain's Cough Remedy is guaranteed, and the dealer from whom it is purchased will refund the money to anyone who is not satisfied after using it.

The many remarkable cures of colds and grip effected by this preparation have made it famous over a large part of the civilized world. It can always be depended upon and is pleasant to take. It not only cures colds and grip, but counteracts any tendency towards pneumonia.

This remedy is also a certain cure for croup, and has never been known to fail. When given as soon as the child becomes hoarse, or even after the croup cough appears, it will prevent the attack.

Whooping cough is not dangerous when the cough is kept loose and expectation free by the use of this remedy.

It contains no opium or other harmful substance, and may be given as confidently to a baby as to an adult.

COMMITTEES HELD A SESSION R. M. BEAL'S ASSESSMENT

MAYOR AND ALDERMEN FOR 1909 INTERVIEWED.

The new Street Commissioner in the Mayor—Will be at Work Next Week.

The street of winter weather seems to have a depressing effect upon our citizens. Monday's session of the committee was dull and disabused. Mayor Beal's assessment of the city was a half of it and he made his escape, but the others held their ground and continued till nearly 11 o'clock. It so happened that nothing of much importance happened at the session and the children took advantage of the opportunity to refer to the Mayor's assessment of the city. It was not an interesting story.

At the beginning of the session, from the Mayor, Mr. Beal, of Bradford, stating that the new street commissioner had been appointed to the job, and that an engineer would arrive on Monday to operate the machine for one week's trial.

Wakely & Ford. Wakely & Ford.

THIS WEEK THE OPENING OF THE SUMMER SEASON AT WAKELY & FORD'S.

New Goods to be sold at surprisingly low prices.

With the Holiday near at hand, and the thermometer gradually moving upward in spite of our wishes that it may not, you will find your dress needs are numerous and absolutely necessary for health and comfort.

This store is equal to the occasion and ready to serve you with bright, sparkling new goods, such as you will not find in any other store in Lindsay.

The great purchases that our syndicate of stores buy count in numbers. Our practice of charging but a small profit counts.

We do not have to undersell by forcing down prices to an abnormal figure, but simply pass along the goods at lower original cost.

Our constant endeavor is to cut off all waste, so that goods may go from the maker to the consumer at the lowest possible cost.

This store is simply a vast clearing house for the quick distribution of goods. Not a storage house, not a depository, but a medium of exchange that all may use to their advantage.

The many daily new things are shown this week for the first time. First comes get best chance.

Wakely & Ford. Wakely & Ford.

THIS WEEK THE OPENING OF THE SUMMER SEASON AT WAKELY & FORD'S.

New Goods to be sold at surprisingly low prices.

With the Holiday near at hand, and the thermometer gradually moving upward in spite of our wishes that it may not, you will find your dress needs are numerous and absolutely necessary for health and comfort.

This store is equal to the occasion and ready to serve you with bright, sparkling new goods, such as you will not find in any other store in Lindsay.

The great purchases that our syndicate of stores buy count in numbers. Our practice of charging but a small profit counts.

We do not have to undersell by forcing down prices to an abnormal figure, but simply pass along the goods at lower original cost.

Our constant endeavor is to cut off all waste, so that goods may go from the maker to the consumer at the lowest possible cost.

This store is simply a vast clearing house for the quick distribution of goods. Not a storage house, not a depository, but a medium of exchange that all may use to their advantage.

The many daily new things are shown this week for the first time. First comes get best chance.
